The 2008 film takes place in the year 2020. Some unnamed person(s) write that a British high-tech agency, known as P22, with its head office in London was created. On the night of November 9th, 2008, this agency was destroyed by a bomb believed to be an EMP. The attack also destroyed the UK's National Grid, leaving a large portion of the country in a dark state of. Does P22 continue as a functioning agency, operating out of a temporary headquarters?
