
MAGIXSoundForgePro120Build29Patch

none wrote: As I understand it, the forum is expected to close this week. Or maybe the company is closed. How to be? The forum is without support. Without forum support. No company support. No support at all. And, as it seems to me, it is necessary not to close companies, but to change the business model. I don't understand why it can't be done in the current form. I don't understand why this forum can't be moved to another hosting. This is at least. And I don't understand why you can't just take and close the forum.
