
[H-Games].Chronicles.of.Prey.2.V [TOP]

This game surprised me a bit as it is one of the few H-games I have played where you are the boss a male hero. I played this game because I thought it was similar to other games where you control a female hero, but I think I was wrong. If you are playing then you will notice that sometimes you need to use weapons to fight enemies. And sometimes you will have to fight the enemy using hand-to-hand combat. I'm not sure why, but there are a lot of enemies in the game that carry weapons, so if you must use a weapon, you need to use it first to kill the enemies.
